Prayer Update March 2015

Dear Friends,

I hope this finds you experiencing a dynamic relationship with the Lord! We are thankful that last week Marshall and Maddie's wisdom teeth extraction has gone according to plan...they are doing well but of course still experiencing some pain. They are experiencing some hunger as they are wanting to eat "real food".

Through March 6th, 10,458 people have attended [The *Weekend to Remember Getaways*](#) the last five weeks with 368 indicating Salvation Decisions....to God be the Glory! We are so thankful! Our Ministry Advisors during this fiscal year have had 31,291 conversations with people considering hosting FamilyLife resourced small groups or events with 57,468 Lives Impacted since September!

Thank you so much for your prayer and financial support that allows us to help minister to so many people!

God Bless,

Steve, Lila, Marshall and Maddie Bayer

The Lord is at work through FamilyLife

“I was very skeptical about the material. I hate a pre-packaged series, and anything Christian with a DVD usually is very poor production value and cheesy. Wow. I could not have been more wrong. [The Art of Marriage](#) curriculum is amazing. The class is going great, people are being changed, it’s the most attendance we have seen in Sunday school. The promotional materials were a great addition. The DVD is FANTASTIC!!! I can’t say enough about it. Thanks for your help and encouragement.” *Pastor email to a FamilyLife Ministry Advisor*

“Coming in we were fighting not speaking at all night one. By the break of the second day we went to our car, cried and asked for forgiveness, held each other and made a commitment to start fresh and do everything this conference was telling us. We are very appreciative for this fresh new start.”
