Serving with FamilyLife to make every home a godly home

Prayer Update July 2016

Hi Friends,

The next thirty days for us is crazy. This week about 1,000 guests plus staff will descend on Little Rock for training and celebrating FamilyLife's 40th Anniversary. We are busy planning the training for our Ministry Advisor team as well as planning our goals and budget for the next fiscal year. Please pray for wisdom about the training, budget and goals planning, that the Lord will open doors for ministry through those plans, safe travel for staff and volunteers coming to Little Rock from all over the world.

After staff conference and training is completed at the end of July we will be taking a few days of personal R & R by driving 8 hours down to the Florida panhandle where friends are lending us their condo. We're excited about a little down time, then in mid-August we take Marshall to his first year of college at John Brown University and Maddie will begin her last year of High School.

We'd like to close with a story from Debbie Wood a Ministry Advisor wrote recently, "Debra approached me at the "Weekend To Remember" asking for a book about ending a marriage. Having a sense that was not the right path I set her and her husband up to talk to a couple on our volunteer team. That lead to more conversations between us about how God can use a broken marriage to help others and in that to find healing. They have now joined our volunteer

team!" Being part of a local volunteer team means this couple who was hurting are multiplying and will disciple others!

Thank you for your partnership, prayers and encouragement as we continue to serve at FamilyLife in order to share the gospel of Jesus Christ.

In the fight for families,

Steve & Lila Bayer
